# FALL AND WINTER OF 1894.

We have been waiting until our stock was complete before we told the people what we were able to do for them this season.

Quality is the true test of cheapness.

Shoddy goods won't pay. In every line we are ahead of last season, for price and quality.

Grey Flannels, our stock is large and prices defy competition. Regular 35c. Flannel for 18c. Regular 30c. Flannel for 12c. Campbell 40c. Flannel for 30c. Hair stripe and Military Flannels at low prices.

We make a specialty of Black Cashmere, and will compete with anyone. Don't buy unless you examine ours.

Double fold Serges, all colors, at 25c. per yard.

Heavy and very wide Flannel, 10c. per yd.

Ladies' heavy, ribbed, wool Cashmere Hose, all sizes, 35c. per pair. Children's heavy, ribbed, wool Cashmere Hose, from 15c. to 25c. per pair. Big value.

We have just opened a nice assortment of Ladies' Jackets, from \$5 up, beautifully made and all imported.

Young men be in the style and buy an Ulster. The W. E. Sanford Mfg. Co. had one of the largest and best exhibits at the World's Fair. We carry their goods. Beautiful made garments, choice colorings and perfect fit. Large range to choose from. Prices from \$6 to \$15. Compare our \$6 garment with others at \$8.

One very important item to men is Underwear. This year we are in a position to sell Underwear cheaper than it was ever sold before. We start at 25c. All wool heavy 60c., regular 70c. goods. Our leader is 70c. See it and compare.

Next week we want 500 bushels of Dried Apples. Highest price.

Buy The Best For Your Boy.

A lady looking at boys' clothing in the Oak Hall, Belleville, a few days ago, said: "This is the best I have seen." "It is the Star Brand," she said. "I am sure that all our boys' clothing is made by this celebrated manufacturer, she said. "I never saw any other suit so overcast to fit my boys." Parents who want their boys to look like, should buy Star Brand's clothing. To be had at Oak Hall only.

The output of nickel last year from the Sudbury district amounted to about \$600,000.

The council of the Toronto Board of Trade have passed a resolution urging the immediate construction of the Nipissing and James Bay railway.

A Man For \$5.00.

Some say that clothes make the man. If you are a man, you should have a well fitted suit for \$5.00. Many houses ask \$10.00 for the same. Their method of quick sale, small profits and low quality.

HOME MATTERS.

Mr. Kilgus Sprague, of Deseronto, was recently visiting relatives here.

Mr. John A. Green, of Springfield, has finished building a new house in the village.

Wants for fine Farm. Price right.

The county road men are engaged on the road near Hagerman's, and are making a fine job.

J. Patterson, of the Sydney Store, Belleville, is offering his goods at a low price.

The apple crop in this section has turned out extraordinarily large, apple buyers and pickers are doing it in the hands of the day.

The daily Overcoat for \$14.00 at WARD'S.

The first fall of snow for this season in this part of the country took place on Sunday last, and reminds us that winter is fast approaching.

On Friday last, two farmers near Big Sprague, A. Hagerman and W. Webb, came across a bear and killed it with a pitchfork.

The deer shooting season commences on Saturday next, and already a number of deer have been shot in the region, and it is expected there will be great slaughter among the deer for the next few weeks.

Our stock of Tweeds for this season is larger than at WARD'S.

On Tuesday night of last week several whips were stolen from rigs under the sheds at Bathing Club. Suspicious points to certain parties, and they would do well to return the whips at once and save further trouble.

We learn that the Bachelor's Club recently organized has fallen through. This is to be regretted, for from what we could learn the object was a noble one, and we had hoped to see the idea carried out.

Dr. Meiklejohn has returned from an extensive visit to his father and brother in North Dakota. He reports that the country is great shooting while absent, and brought home several victims of his deadly aim to substantiate his statements.

Many stores and houses from different parts of the Province, and they seem to be plentiful this fall. A bear and some cubs were seen a week or two ago near the old cedar's mill, a little east of the village, and we were expecting to see this bear of a grand bear hunt being organized, and the capture of the strange visitor.

In another column it will be seen that Mr. Burrows has just paid another \$2000.00 to one of his policy holders for an Endowment plan with him some years ago. If this plan of saving money was more generally adopted, there would be fewer men obliged to go out and saw wood in the cold days of winter.

Mr. Jas. Parks, lot 22, 3rd Con. of Radon, met with a serious accident on Tuesday morning last. He was leading a horse to water, when the animal became frightened, reared, and fell on top of him, fracturing the skull. Dr. Wick was sent for and removed several small pieces of bone, and it is hoped his injuries may not prove serious.

Rev. Dr. Workman, of Toronto, gave two excellent discourses at the Methodist Church last Sunday, and they were listened to with great attention. The weather was very favorable, especially in the morning, which kept some away, but in the evening there was a full house. The subscription to the Missionary cause given promises to be equal or greater than last year.

The farmers of the vicinity, as well as other places, have been paying great attention to the raising of improved stock, especially in cattle and hogs. Mr. S. Vandervoort recently purchased a breeding sow which took first and second prizes at the Toronto, London and Ottawa fairs, and was exhibited at the Township Show at Harford. At the present price of grain there is more money in hogs than in raising grain.

A Tea Social will be given by the ladies of the River Valley congregation, on Friday evening, the 25th inst. Tea from 6:30 to 8:30. After which an interesting and instructive programme will be rendered, consisting of a Musical and a Lecture. The proceeds will be for the benefit of the River Valley congregation, and the value of our Pacific Coast Province, British Columbia, and the description of gold mining, big trees and high mountains.

We understand that Mr. W. E. Ramsey, the great business man of this section, has been booked at the Stirling Music Hall for an evening in the near future, when he will present his new comic production, "A Trip Around the World" introducing all the latest London songs and sketches, none of which have ever been sung in this country. He appears this Friday evening in the great Music Hall, Toronto, where the same entertainment will be given as he is tending presenting here.

The entertainment given in the Music Hall last Friday evening by Mr. J. W. Bennett, was a great success, and the artist fully sustained his reputation as first class entertainer. His character sketches were good, and drew forth much merriment and applause from the audience; and his portrait of well known persons about town were amusing and caused much merriment. Between his sketches he gave songs, recitations, and readings, always interesting, amusing and novel, and leaving nothing to be desired in the way of an entertainment. In fact he embodied a whole company in himself. The committee of management are to be congratulated on the success of the entertainment.

The Thanksgiving Service held at St. Thomas' Church, Radon, last Sunday, was followed by a Fruit Social, on behalf of the Sunday School, which was very creditably held in the Orange Hall opposite the church. The hall was well filled, and everyone seemed to enjoy the treat. After a most beautiful supply of fruit the audience settled down to hear the programme. Jas. Bellamy, Rev. W. H. Smythe, Jas. Haggerty, J. P. R. Cartwright, J. D. Halliwell, Jas. Montgomery and John Bates man. Each made a few interesting remarks, which were interspersed with musical selections, readings and dialogues. Altogether a most successful and a great success. About \$25 was taken at the door.

How frightful to contemplate the destruction of life now going on between China and Japan, and compare it with our own peaceful Canada.

We take no account of the fact that the British Empire is the most powerful in the world.

The exhibition of lovely Fur, comprising Ladies' Capes, in great variety, Ladies' and Men's Fur Coats and Caps, from the most fashionable wholesale houses and brought cheap for spot cash, are on exhibition in the corner store of J. BOLDRICK & SON.

We would ask our customers to visit our store, for the very latest and newest goods for Fall Clothing. Inside find this out by their past record extended to us. Mr. Boldrick, Jr. has just returned from an extended trip in some of the central cities of the United States, and has brought some advanced ideas in clothing which our customers will get the benefit of.

Make the firm a call and we will make it interesting for you.
